

Australian Warranty Certificate

Comfortline Overhead Heating Panels, Ceiling Heating & Mirror Heaters

The following Warranty provided by Devex Systems ABN 39 898 434 262, is offered in addition to any relevant statutory Federal or State Warranty.

Devex Systems warrants the *Comfortline Excel* model for a period of 5 years and the *Comfortline Original* model for a period of 2 years. Both models are suitable for use in indoor and outdoor applications.

Devex Systems also warrants the *Slimline panels, Ceiling Heating Foils and Mirror Heaters* for a period of 2 years.

Devex Systems warrants its product against defects in material, manufacture, or workmanship. Proof of purchase must be provided. Installations must be carried out in accordance with the instructions supplied and must be installed by a licensed electrician.

An authorised Devex Systems representative must be given the opportunity to inspect and report on the defect. The obligation of Devex Systems is to repair or replace the defective product only free of charge to the customer. The faulty product must be returned to the place of purchase, or to Devex Systems, where Devex Systems reserves the right to repair or replace the unit at no cost within a reasonable period of time.

This Warranty does not cover faults caused by incorrect installation, damage by others, misuse, lightning, or, incorrect design by others or where payment is in default. Rectification work, performed as a consequence of matters not covered by the Warranty, or on an installation, will be at the expense of the customer.

This warranty is intended to be an extension of existing manufacturer warranties that are included in the product boxes. Please see product Installation Guide for more details.

The Warranty is void, if payment of the equipment is in default. At all times, we at Devex Systems will respond honestly, efficiently and promptly to all queries and reasonable requests from our customers.
